

McConnell AFB MACA Fly-in and Seminar

This event will provide video presentations, KC-135 static displays, weather information, and a FAA Controller briefing. This may be your only chance to add KIAB to your logbook.

Directions: Attendees driving to this event will enter the base from Rock Rd. and Kansas St., Wichita, KS (approximately one mile south of Pawnee St). Attendees driving will proceed to the McConnell AFB Visitors Center for further instructions. All attendees will be required to obtain prior permission via <http://www.mcconnellmaca.com>

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
